## SKYLINE 360° SYSTEM

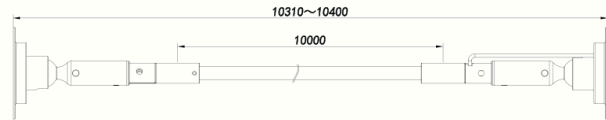

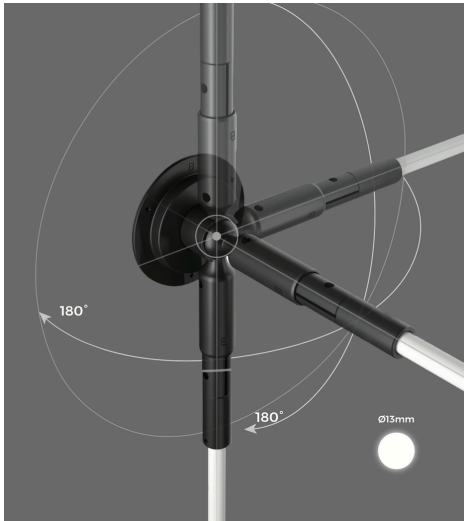

### **SKYLINE 360°** - Architectural Antigravity Lighting

Introducing our cutting-edge SKYLINE model, designed with an innovative antigravity concept that defies conventional lighting norms. This model is engineered to appear as though it is floating mid-air, supported by visible steel wires that enhance its modern aesthetic. The light elegantly cascades downwards, creating a uniform 360-degree illumination.

Crafted with precision, the SKYLINE features a silicon co-extrusion that allows for a seamless light distribution. Available in standard lengths of 5 or 10 meters,

## SKYLINE 360° SYSTEM

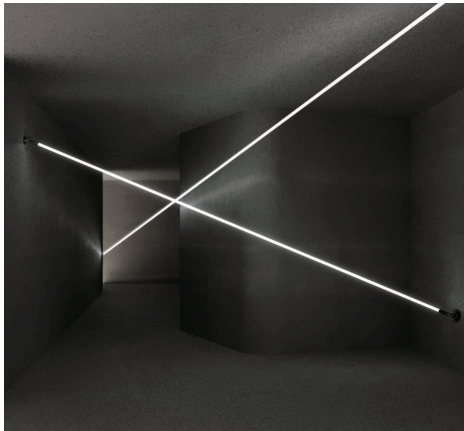

### NNR13S-5m

Led\_Qty: 560LEDs/m  
Typ.Power: 13W/M  
Min Cut: 28led/50mm  
Luminous flux:700LM/m@4000K  
Bend radius: >60mm  
IP:IP65  
Color: black or white
